

To the attention of H.E. Mrs. Anna Zalewska

Your Excellency,

I would like to invite you to support the 2019 WISE Awards call for applications <https://www.wise-qatar.org/wise-awards-2019>. As you may know, every year the WISE Awards recognize and promote six successful innovative projects that are addressing global education challenges. These projects represent a growing resource of expertise and sound practice.

Since 2009, 60 projects from diverse sectors and regions have been recognized for their creativity, positive contribution and their potential for scalability and adaptability. Year by year WISE is building a community of education innovators offering a rich environment for new groundbreaking collaborations.

WISE could not have achieved this without the support of our community who have helped identify exceptional projects through personal and professional networks. Once again, I invite you to participate in the WISE Awards process by encouraging worthy projects to apply or by nominating them. Your role in attracting diverse, high-quality projects is important to the success of the WISE Awards.

The submission period for the 2019 WISE Awards remains open until January 15, 2019. WISE is accepting both applications and nominations.

To nominate a project or apply visit <https://programs.wise.org.qa>

Thank you for supporting WISE.

Sincerely,

Stavros N. Yiannouka
CEO, WISE
